

100%

Spotsies dog Food process begins from your local farm where animals are not stressed and crops are treated naturally. Nothing harmful, nothing artificial.

The ingredients are carefully chosen and studied giving a very tasteful Spotsies dog Food with complete nutritional supplements needed to a long and healthy life, and the benefit of healthy skin and coat.

What could be more personal and more satisfying than Food cooked at home. Spotsies dog Food are cooked at home in a clean environment using recipe that were passed from generation to generation. The cooking process assures that the nutrients are preserved and Food texture is retained.

# SPOTSIES

To make sure your dog gets the freshest and safest dog Food, we deliver Spotsies direct to your door. Be sure to ask for ID and check that you are getting the right Spotsies dog Food you ordered.

Spotsies use refrigerator vans to deliver your dog Food. This ensures the freshness of Spotsies dog Food by shortening the time distance from ordering to the delivery. Our delivery people are friendly whom you can talk to and ask related questions about your dog Food.

The packaging gives the feeling of the old days where Food were delivered in wooden crates. Spotsies dog Food is portioned and individually vacuum packed in a recyclable cellophane and put in wooden box which is reusable or which can be returned to Spotsies delivery people in exchange for a little compensation.
